

HEALTH & SAFETY POLICY

It is the policy of Rolled Alloys Singapore Ltd that every employee and visitor is entitled to work under the safest possible conditions. Every reasonable effort will be made to ensure and promote accident prevention and health preservation.

Management is committed to providing the necessary equipment, procedures and training to ensure a safe and healthy work environment.

It is the responsibility of all employees and visitors to follow the safety rules and policies. By doing so, accidents can be prevented by taking the necessary safety precautions.
